

Australia is a dynamic, vibrant country with energetic, friendly people. Multicultural Australia is English-speaking and a safe and friendly society in which students can learn and travel freely. Australia also offers excellent value for money and a standard of living that is among the highest in the world. Living expenses and tuition costs in Australia are considerably less expensive than UK and USA. Australia enjoys an international reputation for excellence in all areas of education and training. Australian universities are widely recognized for excellence in many disciplines. Institutions deliver practical and career-orientated training so graduates can be confident they have the skills demanded by employers.

Highlights about Australia:

- 1) A highly developed country and one of the wealthiest, Australia is the world's 12th-largest economy and has the world's fifth-highest per capita income.
- 2) With the second-highest human development index globally, Australia ranks highly in many international comparisons of national performance, such as quality of life, health, education, economic freedom, and the protection of civil liberties and political rights.
- 3) Australia is a member of the G20, OECD, WTO, APEC, UN, Commonwealth of Nations, ANZUS and the Pacific Islands Forum.
- 4) In the Program for International Student Assessment, Australia regularly scores among the top five of thirty major developed countries.
- 5) The ratio of international to local students in tertiary education in Australia is the highest in the OECD countries.
- 6) Australia has a population of about 22.2 million and has a growth rate of approximately 1.8% per year, 60% of which is via immigration. Average adult weekly earnings in 2008 were just under \$1,300 AU, nationwide.
- 7) In 2019-2020, 10 Australian universities were ranked amongst the world's top 200.
